**In the matter of an investigation into the death of
Nadheem Abdullah**

**WITNESS STATEMENT OF
FAHAD ABDULLAH MANEA**

I, Fahad Abdullah Manea, state as follows: -

1. I submit this statement for the purposes of the investigation into the death of my older brother Nadheem Abdullah Manea in which I point out what I remember about the event.
2. I am an Iraqi citizen bearing a civilian identity card number [REDACTED] and my date of birth is [REDACTED]. I live in Maysaan, Al Uzayr, Al Huda village.
3. As far as I can remember, the event took place in 2003 when I was 15 years old. I was at home with my family when the car of Issa Abdol Sadah Salas (a member of our tribe) pulled over. In the car was my brother Nadheem. He was unable to speak and in a difficult condition. He only looked at us and moved his head. We asked him, "What happened to you, what happened to you?" but he could not speak.
4. Then, I remember, my mother (Jusm Bader) and Issa took Nadheem in Issa's car to Dr. Abdul Khaleq's clinic in Al Uzayr.

5. In the morning of the next day, I was standing in the street when a Land Cruiser car approached with my mother and brother who had (by now) passed away.

And Allah is my witness.

I confirm that the facts mentioned in this statement are true and this my statement.
