My statement (consisting of 2 pages each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

I am the above named person.

I am currently employed as Three Troop Sergeant with Badger Sqn, 2 RTR and have been deployed on Op TELIC 2 since Jul 03.

As Three Troop Sergeant it is my responsibility to issue ammunition to the personnel in my Troop in theatre for operations.

On 11 Jul 03, I issued one hundred rounds of 5.56mm ball ammunition to [redacted] S009 [redacted] S009 then of my Troop. Since an incident occurred involving the soldier shooting a civilian, he has been moved to HQ Sqn. I can confirm that since that incident, I have not issued [redacted] S009 any more ammunition.

I do not know the batch number of the rounds I issued him. WO2 Bamister, of my unit would know this, as he issues the ammunition to me prior to me issuing it on to the rest of my Troop
