

EMPLOYMENT TRIBUNALS

Claimant: Miss P Gorton

Respondent: Josh Webb t/a The Consumer Compensation Service

JUDGMENT

The complaint of **maternity discrimination** is struck out on the ground that it is not actively pursued.

REASONS

1. By letter dated 26 January 2018 the tribunal asked the claimant to confirm whether she wished to pursue her wages claim only, or wished to have a hearing in respect of her discrimination claim.
2. The claimant replied by e-mail on 28 January 2018, stating, "I would just like to pursue the wages claims please of £700 thank you."
3. The tribunal therefore considers that the claimant is not actively pursuing her discrimination claim and strikes it out.
4. The claimant's complaint of unlawful deduction from wages is unaffected. That part of the claim is the subject of a separately-issued judgment.
