

December 2017

**REFERENCE: 17FOI 130**

You requested the following information

Under the Freedom of Information Act 2000, I would like to request, for all premises used by your Department, the cost of energy bills (broken down by month if possible) for the past ten calendar years, as well as the name of the tariff used to supply energy to the premises.

We have handled your request under the Freedom of Information Act 2000.

The table below shows the total cost of energy (electricity and heating bills) over the last 9 years. We do not hold information for 2007-08.

Financial Year	Total Cost of Energy Bills
	£
2008-09	11,781
2009-10	22,049
2010-11	12,634
2011-12*	296
2012-13	11,281
2013-14	28,444
2014-15	17,008
2015-16	14,891
2016-17*	3,830

\*The Department queried the steep increases in energy costs over a number of years and received rebates as a result.

The name of the tariff used to supply the Departments electricity is British Gas Business. We do not hold information on the name of the tariff used to supply the Departments heating.
