Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

Any changes made as a result of the part surrender are set out in the schedules.

The part surrender has removed sections of land from the Broadley Copse Farm Pig Unit permit boundary, which are to be incorporated within the permit boundary of the neighbouring Broadley Copse Farm anaerobic digestion (AD) facility (EPR/JP3332YL). The AD facility is operated by Broadley Energy Limited.

A statement of operator responsibility between Basil Baird (Fareham) Limited and Broadley Energy Limited has been incorporated into Table S1.2 of the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
