Subject: Highways England Response - Freedom of Information Request - A590 Traffic Count
Date: 22 March 2018 11:30:15

Dear [REDACTED]

Thank you for your request for information about traffic census information on the A590 entering Ulverston dated 9 March 2018. I have dealt with your request under the terms of the Freedom of Information Act 2000.

I can confirm that we do hold the information. Under Section 21 of the Act, we are not required to provide information, which is already reasonably accessible to you. The information you requested is available via <http://webtris.highwaysengland.co.uk/>. On this website the traffic counter nearest the location is 9536/2 and although there are some roads exiting off the A590 before reaching Ulverston, it would give the most accurate count.

If you have any queries about this letter, please contact me. Please remember to quote 760846 in any future communications.

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at: <https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>

If you require a print copy, please phone the Information Line on 0300 123 5000; or e-mail info@highwaysengland.co.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
