

Preliminary flood risk assessment: Salford City Council

This addendum by Salford City Council (2017) updates the council's preliminary flood risk assessment report published in 2011. Read the addendum in conjunction with the [preliminary assessment report](#).

Addendum

The preliminary flood risk assessment (PFRA) and flood risk areas (FRAs) for Salford City Council were reviewed during 2017, using all relevant current flood risk data and information.

There is no additional risk areas identified within this updated PFRA.

Past flood risk

There is no additional information on past floods.

Future flood risk

There is no additional information on future floods.

Flood risk areas (FRAs)

No FRAs have been identified in the Salford City Council lead local flood authority (LLFA) area for the purposes of the Flood Risk Regulations (2009) second planning cycle.

Other changes

None applicable
