

Preliminary flood risk assessment: Brighton and Hove City Council

This addendum by Brighton and Hove City Council (2017) updates the council's preliminary flood risk assessment report published in 2011. Read the addendum in conjunction with the [preliminary assessment report](#).

Addendum

The preliminary flood risk assessment (PFRA) and flood risk areas (FRAs) for Brighton and Hove City Council were reviewed during 2017, using all relevant current flood risk data and information.

Past flood risk

There are no new risks identified as part of the review carried out in 2017.

Future flood risk

There are no new risks identified as part of the review carried out in 2017.

Flood risk areas (FRAs)

Brighton and Hove City was identified as a Flood Risk Area (FRA) in in the first cycle, and remains identified as an FRA for the purposes of the Flood Risk Regulations second planning cycle.

Other changes

None reported.
