NNC CIRCULAR NO.11 /2010

Dear Madam/Sir

Section C6 – Additional Statutory Paternity Leave – Amended Page C6/1

Further to the issue of NNC Circular No 8/2010, it has been drawn to our attention that an omission in this guidance, dating from its original issue in February 2008, had not been remedied. The revised page attached now includes at Paragraph 2 the important eligibility criterion relating to the length of employment required prior to the expected week of childbirth which was unfortunately omitted in the original version.

The original attachment to Circular 8/2010 has also been amended (retrospectively) so the full Section C6 may be found on the Probation Association website (www.probationassociation.co.uk) if required.

Yours faithfully
