

PROJECT CONCEPT FORM

This form should be submitted prior to putting forward a full Project Proposal. The Post may accept or reject Project Concepts.

When the Post agrees a Concept, and invites implementers to put forward a full Project Proposal, it is not a guarantee that the full Project Proposal will be approved for funding. It signals the Post's interest in receiving more details about the proposed project. Before you complete this form, check the website of the British Embassy/High Commission in the country in which you are proposing to work and/or speak to the Post's Project Officers to find out about the Programme Strategy applicable for that country, and to check project viability.
