### Introductory note

#### **This introductory note does not form a part of the notice.**

The following notice gives notice of the surrender in part of an environmental permit.

This surrender is to remove land to the north west of the landfill from the permitting boundary. The land was not subject to waste deposit and there are no current permitted activities taking place in the surrendered area. The surrender also amends condition 2.2.1 of the permit to reference a green permit boundary.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
