### Introductory note

#### **This introductory note does not form a part of the notice.**

The following notice gives notice of the surrender in part of an environmental permit.

The area of land to be surrendered from the energy from waste site is currently unused. It is then to be incorporated into the same company's waste transfer station permit boundary which is adjacent to the installation. Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
