

EMPLOYMENT TRIBUNALS

Claimant: Mrs Jill Harrison

Respondent: Cognito Software Limited

JUDGMENT

By consent, further to the Judgment signed by the Employment Judge on 19 October 2017 and without a further hearing, the respondent must pay the claimant an additional sum of £576.92 as an award under section 38 of the Employment Act 2002.

REASONS

These are not reasons as such as the above Judgment is being issued by consent. I simply wanted to apologise to the parties for not issuing this Judgment sooner – the request for the Judgment has only just been passed to me.
