However, in relation to those changes, if an application has been made for entry clearance or leave to enter or remain before 6 July 2018, the application will be decided in accordance with the Immigration Rules in force on 5 July 2018.

Review

Before the end of each review period, the Secretary of State undertakes to review all of the relevant Immigration Rules including any Relevant Rule amended or added by these changes. The Secretary of State will set out the conclusions of the review in a report and publish the report.

The report must in particular:

- (a) consider each of the Relevant Rules and whether or not each Relevant Rule achieves its objectives and is still appropriate; and
- (b) assess whether those objectives remain appropriate and, if so, the extent to which they could be achieved with a system that imposes less regulation.

“Review period” means:

- (a) the period of five years beginning on 6 April 2017; and
- (b) subject to the paragraph below, each successive period of five years.

If a report under this provision is published before the last day of the review period to which it relates, the following review period is to begin with the day on which that report is published.

“Relevant Rule” means an Immigration Rule which:

- (a) imposes requirements, restrictions or conditions, or sets standards, in relation to any activity carried on by a business or voluntary or community body; or
- (b) relates to the securing of compliance with, or the enforcement of, requirements, restrictions, conditions or standards which relate to any activity carried on by a business or voluntary or community body.
