EIA Consent Decision

PD TEESPORT'S APPLICATION UNDER ARTICLE 6 OF THE TEESPORT HARBOUR REVISION ORDER 2008 FOR A TEN YEAR EXTENSION TO THE PERIOD FOR COMPLETION OF THE WORKS

The Marine Management Organisation ("MMO") has carried out an Environmental Impact Assessment ("EIA") under the Marine Works (EIA) Regulations 2007 (as amended) ("the MWRs") in relation to the extension to the period for completion of works authorised by the Teesport Harbour Revision Order 2008 ("the Order"). The works constitute a deep sea container terminal at the River Tees, Redcar and comprise capital dredging, construction of a new quay wall, reclamation and the disposal of dredged material. In accordance with Regulation 22 of the MWRs, the MMO has decided to grant EIA consent for the project on 01 May 2018.

Full details of the decision, including the environmental information taken into consideration and the main reasons and considerations on which the EIA consent decision was based can be found at: <https://www.gov.uk/government/publications/teesport-harbour-revision-order>. Effect of EIA Consent Decision on the Regulatory Decision

The power to grant an extension of time has been delegated by the Secretary of State to the MMO under an agreement made under Section 14 of the Marine and Coastal Access Act 2009.

Following the above EIA consent decision in accordance with Regulation 24 of the MWRs, the MMO has decided to grant an extension of time for the completion of the works under article 6 of the Order. The regulatory decision can be found at <https://www.gov.uk/government/publications/teesport-harbour-revision-order>
