

Department for
International Trade

Inward Investment Results 2016-17: Note on corrections

Introduction

As the government department responsible for promoting inward investment, DIT has a responsibility to record and report accurate information about all inward investment projects successfully landing in the UK during the tax year. The 2016-17 report was published for the first time as Official Statistics. This note has been published to highlight corrections made to the main publication found on:

www.gov.uk/government/statistics/department-for-international-trade-inward-investment-results-2016-to-2017

Corrections

The following corrections have been made to the accompanying tables publication and not to the main “Department for International Trade inward investment results 2016 to 2017” report.

- Table 1.1: All expansion FDI project figures during the 2016-17 tax year have been corrected from 782 FDI projects to 822 to account for the addition of 40 retention projects.
- Table 1.1: All mergers & acquisition FDI project figures during the 2016-17 tax year have been corrected from 246 FDI projects to 206 to account for the subtraction of 40 retention projects.
- Table 1.2: Involved expansion FDI project figures during the 2016-17 tax year have been corrected from 695 FDI projects to 734 to account for the addition of 39 retention projects.
- Table 1.2: Involved mergers & acquisition FDI project figures during the 2016-17 tax year have been corrected from 122 FDI projects to 83 to account for the subtraction of 39 retention projects.
