13 June 2018

Dear Fintan,

Under Regulation 10(1)(c) of the Electricity Capacity regulations 2014, I am required to determine by 15 June whether a T-4 auction is to be held in the auction window starting on 1 September this year; and whether a T-1 auction is to be held in the same period.

I can confirm that I have determined that both a T-4 auction (for delivery in 2022/23) and a T-1 auction (for delivery in 2019/20) will be held in that window.

Parameters for these auctions will be sent in due course.

Yours sincerely,

THE RT HON CLAIRE PERRY MP
Minister of State
