

# EMPLOYMENT TRIBUNALS

**Claimant** Mr D Phelan  
**Respondent:** Kettering General Hospital NHS Foundation Trust

## JUDGMENT

The claimant's application dated 5 June 2018 for reconsideration of the judgment sent to the parties on 8 June 2018 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:

1. Reference is made to paragraph 11 of the Reserved Reasons. The GP's fit note did not say that the claimant was not well enough to attend the hearing. Further medical evidence from the claimant was not provided.
2. The claimant's appeal to the EAT has nothing to do with the issues that arose in this case.
3. The Employment Judge understands that the claimant did not attend the Watford hearing after the first three days. In any event, he did not attend the hearing in Cambridge to renew his application for a postponement, as he could have done.
