Dear Ms Summersgill

On 16 July 2015, Sue Baldwin wrote to you to serve notice that St Anselm's Catholic Multi Academy Trust ('the trust') was required to improve financial management, control and governance at the trust. This was as a consequence of our concerns about the financial deficit, the requirement for cash flow support and inadequate financial management, control and governance at the trust. The Financial Notice to Improve (FNtI) set out the actions that were needed to be taken by the trust to make sure necessary improvements were made.

Further to our close monitoring of the trust's progress which includes enhanced financial management and control and improved governance, I am pleased to inform you that I am satisfied that the FNtI conditions have been met. As a result, the FNtI will be lifted, with effect from the date of this letter.

This letter will be published alongside the original FNtI on GOV.UK.

Yours sincerely
