Notes to the accounts for the year ended 31 December 2017

1. Statement of Trustees' Responsibilities

The trustees are required to obtain audited financial statements for each year which show a true and fair view of the financial transactions of the Trust during the year and the disposition, at the end of the year, of the assets and liabilities. The trustees have prepared the financial statements for audit.

In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and to enable it to ensure that the financial statements comply with the Trade Union and Labour Relations (Consolidation) Act 1992 and are in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The trustees have taken such steps as are reasonably open to them to safeguard the assets of the Trust and prevent any irregularities or error.

2. Statutory information

The National Union of Mineworkers Yorkshire Area Trust Fund is governed by a Trust Deed established on the transfer of engagements from the National Union of Mineworkers (Yorkshire Area) on 17 August 1994. The principal address is 2 Huddersfield Road, Barnsley, South Yorkshire, S70 2LS.

The financial statements are presented in sterling which is the functional currency of the Trust and rounded to the nearest pound.

Accounting Policies

(forming part of the financial statements) for the year ended 31 December 2017

1 (a) Accounting policies

The following accounting policies have been used consistently in dealing with the items which are considered material to the Trust's affairs.

(b) Basis of preparation

The financial statements have been prepared in accordance with the provisions of Section 1A "small entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Trade Union and Labour Relations (Consolidation) Act 1992. The financial statements have been prepared under the historical cost convention.

The financial statements summarise the transactions and net assets of the Trust.

(c) Significant Judgements and Estimates

No judgements have been made in the process of applying the below accounting policies that have had the most significant effect on amounts recognised in the financial statements.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have had significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year.

(d) Income and expenditure

Contribution income and investment income is used to pay for Branch and Area expenditure, as authorised by Trust Standing Orders, Executive Committee Minutes, and Council Meeting Minutes. Any surplus or deficit is then transferred to the Trust's Accumulated Fund.

Other income and expenditure is recognised on an accruals basis in the period to which it relates.

(e) Fixed assets and depreciation

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Freehold Buildings - 2% per annum diminishing value.

No depreciation is provided on land under redevelopment during the year.

Accounting Policies

(forming part of the financial statements) for the year ended 31 December 2017

(f) Investment properties

Investment properties are included in the financial statements at the most recent valuation by independent chartered surveyors. Any aggregate surplus or deficit arising from changes in market value is transferred to the consolidated statement of comprehensive income.

(g) Office furniture and equipment

Expenditure on office furniture and equipment is charged to the income and expenditure account as incurred.

(h) Investments

Fixed Asset Investments are stated at market value.

(i) Stock

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Cost is calculated using the first-in, first-out method and includes all purchase, transport and handling costs in bringing stocks to their present location and condition.

(j) Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

N.B. When notes to the accounts are referred to in the auditor's report a copy of those notes must accompany this return.

Year ended 31 December 2017

Independent auditors' report to the members of National Union of Mineworkers Yorkshire Area Trust Fund

We have audited the financial statements of the National Union of Mineworkers Yorkshire Area Trust Fund (the 'trust') for the year ended 31 December 2017 which comprise a consolidated statement of comprehensive income, a consolidated statement of financial position and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the trust's members, as a body, in accordance with Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the trust's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the trust and their members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion, the financial statements:

- give a true and fair view of the state of the trust's affairs at 31 December 2017 and of its result for the year then ended; and
- have been prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Year ended 31 December 2017

Independent auditors' report to the members of National Union of Mineworkers Yorkshire Area Trust Fund con't.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or
- the National Union of Mineworkers Yorkshire Area Trust Fund was not entitled to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 1, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

Year ended 31 December 2017

Independent auditors' report to the members of National Union of Mineworkers Yorkshire Area Trust Fund con't.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events in a
 manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
