

Impact Assessment – Kingsteignton School - Devon

School name	Type	Faith	Distance from FS (miles)	Capacity (May 2015)	Number of surplus places (May 2015)	Surplus at point of entry year (2014/15)	Attainment 2015	Inspection rating	Impact rating
Rydon Primary School	Academy Converter	None	0.5	420	-10	4	89%	Good 31-May-2012	Minimal – This school is the closest to the proposed free school. Its results are above the national average and it is rated good by Ofsted. Whilst the new school is in close proximity to this school it is unlikely that it will impact the long term viability of this school as it is clearly popular.
St Michael's CofE Primary School	Voluntary Controlled School	Church of England	0.6	417	8	3	88%	Outstanding 08-Nov-2011	Minimal – This school's attainment results are above average and is also rated outstanding by Ofsted. The free school will share premises with this school in its first year of operation. The free school will have a minimal impact on the viability of this school.
All Saints CofE Primary School (Marsh)	Academy Converter	Church of England	1.4	114	6	1	82%	Requires Improvement 12-Mar-2014	Moderate – This school's Ofsted rating is requires improvement. Its attainment results are on a par with LA averages and slightly above the national average. It is 1.4 miles away from the proposed free school site.
St Joseph's Catholic Primary School	Academy Converter	Roman Catholic	1.5	210	59	3	54%	Good 29-Nov-2012	Moderate – Attainment at this school is well below the national average. The opening of the new free school may have some impact on pupil recruitment at this school. However, as the school is

									the only Catholic school within the 1.5 mile radius of the free school and rated good by Ofsted, it is unlikely that the long term viability will be affected.
Bearnes Voluntary Primary School	Voluntary Controlled School (Pipeline academy converter)	Christian	1.5	70	0	-2	No KS2 data	Good 30-Apr-2015	Minimal – This is a small Christian school rated good by Ofsted. It is also one of the furthest away from the proposed free school. It is unlikely that the free school will affect the long term viability of the school.
