School name	Distance from free school	School Type	Capacity	Average points score 2014	Average points score 2015	VA score 2014	Ofsted Grade	Impact Rating
<b>Secondary Schools</b>								
<b>LA Average</b>				<b>202.7</b>	<b>203.2</b>			
<b>National Average</b>				<b>211.3</b>	<b>211.4</b>			
The Studio School Liverpool	0.4	Studio School  Not a faith school  Mixed	107	No KS5 Data	No KS5 Data	No value added figure	Good  Date of most recent Ofsted inspection: 14/05/2014	<b>Minimal:</b> The Studio School Liverpool specialises in computer and digital technology courses whereas LIPA 6 <sup>th</sup> Form college focus is on music and the performing arts, therefore any impact on the school should be minimal.
Liverpool Life Sciences UTC (14-19)	0.4	University Technical College  Not a faith school Mixed	264	No KS5 Data	No KS5 Data	No value added figure	No Ofsted grade	<b>Minimal:</b> Liverpool Life Sciences UTC is a specialist school that specialises in science and healthcare. LIPA 6 <sup>th</sup> Form College is a performing arts college so the impact on the UTC should be minimal.
Archbishop Blanch School	0.7	Voluntary aided School  Church of	239	205.9	187.9	0.2 (+)	Good  Date of most recent Ofsted inspection:	<b>Minimal:</b> The Ofsted judgment is Good which is likely to continue to attract learners. The school does offer both academic and vocational

		England Girls school Mixed 6 <sup>th</sup> Form					14/05/2015	courses; some of these are in music and performance. Enrolment on these courses may therefore be affected by LIPA 6 <sup>th</sup> Form college opening; however this institute is offering a wide selection of different subjects therefore the long term viability is unlikely to be affected by LIPA opening.
The Belvedere Academy	1.2	Academy Sponsor Led  Not a faith school  Girls	221	223.8	218.9	0.1 (+)	Outstanding  Date of most recent Ofsted inspection: 30/01/2015	<b>Minimal:</b> Whilst the academy may lose a few students who may want to go to a performing arts college such as LIPA 6 <sup>th</sup> Form College the impact will be minimal due to the Ofsted grading and the recent exam results (A level pass rate in 2014/15 was 100%) and attainment is above both the LA and National averages.
Bellerive FCJ Catholic College	1.3	Academy converter  Roman Catholic  Mixed	130	169.8	197.2	-0.2 (-)	Good  Date of most recent Ofsted inspection 14/06/2012	<b>Minimal:</b> Whilst the impact on the college may be moderate, this should be limited due to the Ofsted grading and the recent exam results (A level pass rate in 2014/15 was 100%) and the fact that some students may want to attend a faith based provider. As such we would expect the college to be oversubscribed and the impact will be minimal.

St Hilda's Church of England High School	1.6	Voluntary Aided school Church of	180	208.5	205.9	0.0	Good Date of most recent Ofsted inspection:	<b>Moderate:</b> Whilst the impact on the college may be moderate, this should be limited to the Ofsted grading and the recent exam results (A
		England Mixed					01/05/2012	level pass rate in 2014/15 was 98%) and the fact that some students may want to attend a faith based provider. As such we would expect the college to be oversubscribed and the impact may even be minimal.
King's Leadership Academy, Liverpool	1.6	Academy Sponsor Led Not a faith school Mixed	86	No KS5 Data	No KS5 Data	No value added figure	Inadequate Date of most recent Ofsted inspection: 13/03/2014	<b>Moderate:</b> This is a new sponsor led academy which opened in 2012 and has no A level attainment to report. The school received an Inadequate Ofsted inspection which may discourage learners to stay on at sixth form. Therefore whilst the financial viability of the academy overall is unlikely to be affected, it could affect the viability of sixth form provision at this academy.

The Academy of St Francis of Assisi	1.7	Academy Sponsor Led  Church of England  Mixed	146	No KS5 Data	174.9	No value added figure	Good  Date of most recent Ofsted inspection: 15/11/2012	<b>Moderate:</b> Ofsted has judged the school to be good which is likely to continue to attract learners. The college does offer both academic and vocational courses some of these are in music, including performance. Enrolment on these courses may therefore be affected by LIPA 6 <sup>th</sup> Form College opening; however this institute is offering a wide selection of different subjects therefore the long term viability of the college overall is unlikely to be affected. It could, however, affect the viability of sixth form provision

North Liverpool Academy	1.7	Academy Sponsor Led  Not a faith school Mixed	254	165.4	168.8	-0.4 (-)	Requires Improvement  Date of most recent Ofsted Inspection: 29/04/2015	<b>Moderate:</b> The school received an Requires Improvement Ofsted inspection which may discourage learners to stay on at sixth form. In addition, the college also offers courses on music and the performing arts. Therefore, whilst the financial viability of the academy overall is unlikely to be affected, it could affect the viability of sixth form provision at this academy.

Notre Dame Catholic College	1.8	Voluntary Aided School Roman Catholic Mixed	225	203.3	203.2	- 0.3 (-)	Good Date of most recent Ofsted inspection: 25/02/2015	<b>Minimal:</b> Whilst the impact on the college may be moderate, this should be limited to the Ofsted grading and the recent exam results (A level pass rate in 2014/15 was 85%) and the fact that some students may want to attend a faith based provider. As such we would expect the college to be oversubscribed and the impact will be minimal
The Blue Coat School	2.4	Academy Converter Not a faith school Mixed	380	236.8	245.4	0.2 (+)	Outstanding Date of most recent Ofsted inspection: 01/11/2012	<b>Minimal:</b> The impact on this school should be minimal. The Ofsted rating, higher than average attainment levels and good A level results should encourage learners to stay on at sixth form.
Liverpool College	2.4	Academy Sponsor Led Church of	202	234.4	219.1	0.3 (+)	Good Date of most recent Ofsted	<b>Minimal:</b> The impact on this school should be minimal. The Ofsted rating, higher than average attainment levels and

\*Provisional (non-final) school performance data was used as part of this impact assessment. This is because the assessment was needed before the performance data checking exercise had been fully completed (and therefore, had to be made using the data available at that time).

For this reason, the final performance measures for some schools may have been different from those shown in this report.
