

Olive School Birmingham – Impact Assessment

School name	Type	Faith	Distance from FS (miles)	Capacity (May 2015)	Number of surplus places (May 2015)	Surplus at point of entry year (Oct 2015)	Attainment 2015	Inspection rating	Inspection date	Impact
Al-Furqan Primary School	Voluntary Aided School	Muslim	0.1	630	101	1	68%	Requires Improvement	06-Nov-2014	Moderate The school is 0.1 miles from the free school and is also a faith designated school. It is rated as Requires Improvement and although it only has 1 surplus place at point of entry, overall surplus places are high. There is a high level of basic need in the area but due to its close proximity and the current poor results the free school may affect the long term viability of the school.
Yarnfield Primary School	Academy Sponsor Led	None	0.5	575	-32	2	57%	Requires Improvement	13-Mar-2015	Minimal The school is 0.5 miles from the proposed free school and is judged as Requires Improvement and achievement of pupils is below the local and national averages. However it appears to be popular (deficit places) and with ongoing basic need pressures it unlikely that the free school will affect the long term viability of the school.
Greet Primary School	Community School	None	0.6	840	59	0	90%	Outstanding	19-Sep-2007	Minimal The school is 0.6 miles from the proposed free school and is judged as Outstanding. Achievement of pupils is well above local and national averages and the school has no unfilled places at the point of entry. The free school is unlikely to affect the long term viability of the school

Yorkmead Junior and Infant School	Community School	None	0.6	403	-17	0	78%	Good	21-Mar-2013	Minimal The school is 0.7 miles from the proposed free school and is judged as Good. Achievement of pupils is above local but slightly below national averages. The school has no unfilled places at the point of entry. There is a high level of basic need in the area. It is unlikely that the free school will affect the long term viability of the school.
Springfield Primary School	Community School (Pre-pipeline academy)	None	0.7	630	0	6	82%	Inadequate	13-May-2015	Moderate The school is 0.7 miles from the proposed free school and is judged as Inadequate. Achievement of pupils is above local and national averages. The school has 6 unfilled places at the point of entry. There is a high level of basic need in the area but, due to its close proximity, the slight surplus and that it is a community school the free school may affect the long term viability of the school.
English Martyrs' Catholic Primary School	Voluntary Aided School	Roman Catholic	0.8	419	14	4	90%	Outstanding	21-Jan-2016	Minimal The school is 0.8 miles from the proposed free school and is judged as Outstanding. Achievement of pupils is above local and national averages. The school has 4 unfilled places at the point of entry. The school gives priority to Baptised Roman Catholic children. The free school is unlikely to affect the long term viability of the school
St John's CofE Primary School	Academy Converter	Church of England	0.8	420	0	0	95%	Outstanding	20-Nov-2014	Minimal The school is 0.8 miles from the proposed free school and is judged as Outstanding. Achievement of pupils is above local and national averages and the school has no unfilled places. The school remains very popular and the admissions give preference to pupils of the Christian faith. The free school is unlikely to affect the long term viability of the school

Arden Primary School	Community School	None	0.8	630	0	0	81%	Outstanding	03-Jul-2013	Minimal The school is 0.8 miles from the proposed free school and is judged as Outstanding. Achievement of pupils is above local and national averages. The school has no unfilled places. It is unlikely that the free school will affect the long term viability of the school.
Acocks Green Primary School	Academy Converter	None	0.9	420	2	0	97%	Outstanding	21-Sep-2011	Minimal The school is 0.9 miles from the proposed free school and is judged as Outstanding. Achievement of pupils is above local and national averages. The school has no unfilled places at the point of entry. It is unlikely that the free school will affect the long term viability of the school.
