

## Impact Assessment: Twynham Primary School (TPS)

School name	School type	Capacity	Attainment data 2015	Ofsted grade	Impact rating
Christchurch Infant School	Community School	410 school places  Number of surplus places (May 2015): -2  Surplus at point of entry year (Oct 2015): -30	No KS2 data	Outstanding – May 2014	<b>Minimal</b>  This school is 0.7 miles away from TPS. TPS is unlikely to have a significant impact on Christchurch Infant School, because the school is judged outstanding by Ofsted and it has a low number of surplus places.  Dorset County Council has identified a need for a new school in Christchurch.
Christchurch Junior School	Community School	480 school places  Number of surplus places (May 2015): -34  Surplus at point of entry year (Oct 2015): -4	83% of pupils achieved level 4 or above in reading and mathematics test	Good – Dec 2014	<b>Minimal</b>  This school is 0.7 miles away from TPA. TPS is unlikely to have a significant impact on Christchurch Junior School, because the school is judged good by Ofsted and it has attainment data above the national (80%) and LA (78%) averages.  Dorset County Council has identified a need for a new school in Christchurch.
Burton Church of England Primary School	Voluntary Controlled School  Church of England	315 school places  Number of surplus places (May 2015): 25	85% of pupils achieved level 4 or above in reading and mathematics test	Requires Improvement – Feb 2014	<b>Minimal.</b>  This school is 0.9 miles away from TPS. TPS is unlikely to have a significant impact on Burton Church of England Primary School, because while Burton is judged to require improvement by Ofsted, it has attainment

		Surplus at point of entry year (Oct 2015): -3			data well above the national and LA averages and it has a low number of surplus places.  Dorset County Council has identified a need for a new school in Christchurch.
The Priory Church of England Primary School	Voluntary Aided School  Church of England	222 school places  Number of surplus places (May 2015): 2  Surplus at point of entry year (Oct 2015): 1	88% of pupils achieved level 4 or above in reading and mathematics test	Good – Feb 2015	<b>Minimal.</b>  This school is 1.3 miles away from TPS. TPS is unlikely to have a significant impact on The Priory Church of England Primary School because the school is judged good by Ofsted, it has attainment data well above the national and LA averages and it has a low number of surplus places.  Dorset County Council has identified a need for a new school in Christchurch.
Stourfield Infant School	Academy Converter	390 school places  Number of surplus places (May 2015): 1  Surplus at point of entry year (Oct 2015): 0	No KS2 data	Outstanding – Feb 2007	<b>Minimal.</b>  This school is 1.5 miles away from TPS. TPS is unlikely to have a significant impact on Stourfield Infant School because the school is judged outstanding by Ofsted and it has a low number of surplus places.  Dorset County Council has identified a need for a new school in Christchurch.
