

Impact Assessment for Solihull Alternative Provision Academy

School name	Type	LA	Distance from FS (miles)	Number on Roll (sole or main for dual registration)	Number on roll (any enrolment status)	Age Range	Inspection rating	Inspection date	Impact Rating
Triple Crown Centre	Pupil Referral Unit	Solihull	2.2	14	24	11-16	Good	14 March 2014	<p>Minimal: The Pupil Referral Unit caters specifically for pupils who are unable to attend mainstream provision due to medical issues. The unit has been rated "good" across all areas by Ofsted. The unit only takes pupils from schools within Solihull. As Solihull Alternative Provision Academy will offer long term places for pupils with mainly behavioural problems and therefore it is not expected that it will affect the long term viability of this Pupil Referral Unit.</p>
Summerfield Education Centre	Pupil Referral Unit	Solihull	3.0	59	60	11-16	Good	7 May 2015	<p>Minimal: The Pupil Referral Unit caters for pupils with a history of disengagement and behavioural and social difficulties. The unit offers pupils a chance to re-engage and then return to mainstream education. The unit is rated "Good" by Ofsted and therefore should continue to be popular with commissioners. It is not expected that Solihull Alternative Provision Academy will affect the long term viability of this unit.</p>

East Birmingham Network Academy	FS Alternative Provision	Birmingham	4.4	55	93	13-16	Good	8 May 2014	<p>Minimal: This school caters for pupils who have been excluded or who are at risk of exclusion. The school also admits some pupils who are without a secondary school. The school has been rated "Good" across all areas by Ofsted and caters for a smaller age range than Solihull Alternative Provision Academy. It is therefore likely to remain popular with commissioners and will not lose any pupils. It is not expected that Solihull Alternative Provision Academy will affect the long term viability of this school.</p>
Reach School	FS Alternative Provision	Birmingham	4.5	36	52	13-16	Requires Improvement	29 April 2015	<p>Minimal: The school offers a wide curriculum for pupils who have had difficulties with mainstream provision. The school was inspected by Ofsted in June 2017 and has been rated "Good" in all areas. This recent improvement should mean that the school will be popular with commissioners. It is not expected that Solihull Alternative Provision Academy will affect the long –term viability of this school.</p>

The Edge Academy	FS Alternative Provision	Birmingham	7.1	28	64	11-16	No inspection – recently opened.		<p>Moderate: The school opened in 2015 and is due an Ofsted inspection in the 2017/18 academic year. The Education Adviser visited the school on a number of occasions. At the most recent on May 2017 it was rated “Inadequate” due to the quality of teaching, learning and assessment. Improvements are being made but will take time to deliver. The school is some distance from Solihull and the Local Authority has stressed the need for places in and around Solihull. It is therefore not expected that Solihull Alternative Provision Academy will affect the long term viability of this school.</p>
CUL Academy	FS Alternative Provision	Birmingham	7.5	25	36	13-16	Inadequate	23 September 2015	<p>High Risk: This school was placed in special measures following an Ofsted inspection in September 2015. Reviews have taken place at the school with the latest one in December 2016. The school was again rated inadequate due to: issues around safeguarding; quality of teaching and learning and leadership and management across all areas. Although the school is some distance from Solihull Alternative Provision Academy they are targeting the same cohort and age range so there is a risk that the new school could have a high impact on CUL Academy.</p>
