The Newark Academy	Academy Sponsor Led	None	2.0	1233	604	90	-0.9 (-)	-1.2 (-)	42.0	53%	7%	Inadequate (29-Jun-2016)	Moderate As this school is part of the Nova trust, it is likely that this school will feel a moderate impact. Since being taken over by Nova, the school is showing signs of improvement. Impact will only be moderate as the two schools will be marketed together and will have different offers.
Magnus Church of England Academy	Academy Sponsor Led	Church of England	2.7	1170	405	86	-0.2 (-)	-0.4 (-)	42.6	42%	9%	Requires Improvement (11-Jan-2017)	High It is likely that this school will be highly impacted by the open of The Suthers School. This is because the school has been underperforming for a number of years and is located within 3 miles of Suthers. However, it is possible that the impact will be moderated by 2 factors: that Magnus has a markedly different offer, as a faith school; and because the free school hopes to attract some of the significant number of pupils who currently leave Newark each year for schools outside of the town at secondary transfer.
