G. Commitments for people with disabilities in Humanitarian Contexts:

Please enter the exact wording of the commitment/s, including details of others who has supported its development (75 words limit):

Timeframe and/or implementation plan (75 words limit)

Please copy and paste this box for additional commitments under this theme.

H. Other Commitments

Please enter the exact wording of any other commitment/s that do not fall under the themes above, including details of others who have supported its development (75 words limit):

With the Zero Project, the Essl Foundation commits itself to exploring and communicating Innovative Practices and Policies worldwide that have a proven impact on the implementation of the UN CRPD, in education, employment, accessibility, independent living and political participation. We commit ourselves to strengthen the network of innovators, opinion-leaders and decision-makers with and without disabilities, to continuously improve the research method and the support of everyone who wants to create change towards the SDG and the implementation of the UN CRPD.

Please copy and paste this box for additional other commitments.

THE GLOBAL DISABILITY SUMMIT 2018: CHARTER FOR CHANGE

#DisabilitySummit #NowIsTheTime

We gather here in London and across the world to achieve a common aim: to ensure the rights, freedoms, dignity and inclusion for all persons with disabilities.

Important progress has been made in the decade since the adoption of the United Nations Convention on the Rights of Persons with Disabilities (CRPD). But we must do more. We must strive for real change through the Convention's implementation and the delivery of the Sustainable Development Goals for persons with disabilities. Now is the time.

So today we commit to:

1. Catalyse political will and leadership to turn our promises into change; in long-term plans that we invest in, implement and review.
2. Promote the leadership and diverse representation of all persons with disabilities to be front and centre of change; as leaders, partners and advocates. This includes the active involvement and close consultation of persons with disabilities of all ages.
3. Eliminate stigma and discrimination through legislation and policies that make a difference, promoting meaningful leadership, and consistently challenging harmful attitudes and practices. All people deserve dignity and respect.
4. Progress and support actions that advance inclusive quality education for people with disabilities, with the necessary resources to put plans into practice: every child has the right to learn from birth.
5. Open up routes to economic empowerment and financial inclusion so that persons with disabilities can enjoy decent work and achieve financial independence. This will mean creating more and better jobs, providing social protection, ensuring the necessary skills training, making workplaces accessible and hiring people with disabilities.
6. Revolutionise the availability and affordability of appropriate assistive technology, including digital, which will enable persons with disabilities to fully participate and contribute to society.
7. Change practices to make all humanitarian action fully inclusive and accessible to persons with disabilities. We will mainstream inclusion across all Disaster Risk Reduction and humanitarian sectors, and implement our commitments in the Charter 'Inclusion of Persons with Disabilities in Humanitarian Action'.
8. 'Leave no one behind' and put the furthest behind first. We will champion the rights of the most under-represented and marginalised persons with disabilities, of all ages, affected by any form of multiple discrimination, and notably women and girls with disabilities.
9. Gather and use better data and evidence to understand and address the scale, and nature, of challenges faced by persons with disabilities, using tested tools including the [Washington Group Disability Question Sets](#).
10. Hold ourselves and others to account for the promises we have made here today. We agree that our individual commitments will be reviewed, assessed and published on a regular basis, with the results published on-line.
