

ACQUISITION BY VALEO FOODS (VIA ITS SUBSIDIARY ROWSE HONEY LIMITED) OF TAURUS 3 LIMITED

Initial Enforcement Order made by the Competition and Markets Authority pursuant to section 72(2) of the Enterprise Act 2002 (the Act)

Whereas:

- (a) the Competition and Markets Authority (CMA) has reasonable grounds for suspecting that it is or may be the case that Rowse Honey Limited and Taurus 3 Limited (Taurus) have ceased to be distinct;
- (b) the CMA is considering, pursuant to section 22 of the Act, whether it is or may be the case that a relevant merger situation has been created and whether the creation of that situation has resulted or may be expected to result in a substantial lessening of competition in any market or markets in the United Kingdom (UK);
- (c) the CMA wishes to ensure that no action is taken pending final determination of any reference under section 22 of the Act which might prejudice that reference or impede the taking of any action by the CMA under Part 3 of the Act which might be justified by the CMA's decisions on the reference; and
- (d) the circumstances set out in section 72(6) of the Act do not apply and the reference has not been finally determined in accordance with section 79(1) of the Act.

Now for the purposes of preventing pre-emptive action in accordance with section 72(2) of the Act the CMA makes the following order addressed to Valeo Foods UK Limited and Valeo Foods (Group) (Valeo Foods) and Rowse Honey Limited (Rowse Honey) (Order).

Commencement, application and scope

1. This Order commences on the commencement date, 16 August 2018, or the moment of completion of the transaction, whichever is earlier.
2. This Order applies to Valeo Foods and Rowse Honey.

3. Notwithstanding any other provision of this Order, no act or omission shall constitute a breach of this Order, and nothing in this Order shall oblige Valeo Foods or Rowse Honey to reverse any act or omission, in each case to the extent that it occurred or was completed prior to the commencement date.

Management of the Valeo Foods and Taurus businesses until determination of proceedings

4. Except with the prior written consent of the CMA, Valeo Foods and Rowse Honey shall not, during the specified period, take any action which might prejudice a reference of the transaction under section 22 of the Act or impede the taking of any action under the Act by the CMA which may be justified by the CMA's decisions on such a reference, including any action which might:
 - (a) lead to the integration of the Taurus business with the Valeo Foods business;
 - (b) transfer the ownership or control of the Valeo Foods business or the Taurus business or any of their subsidiaries; or
 - (c) otherwise impair the ability of the Taurus business or the Valeo Foods business to compete independently in any of the markets affected by the transaction.
5. Further and without prejudice to the generality of paragraph 4 and subject to paragraph 3, Valeo Foods and Rowse Honey shall at all times during the specified period procure that, except with the prior written consent of the CMA:
 - (a) the Taurus business is carried on separately from the Valeo Foods business and the Taurus business's separate sales or brand identity is maintained;
 - (b) the Taurus business and the Valeo Foods business are maintained as a going concern and sufficient resources are made available for the development of the Taurus business and the Valeo Foods business, on the basis of their respective pre-merger business plans;
 - (c) except in the ordinary course of business, no substantive changes are made to the organisational structure of, or the management responsibilities within, the Taurus business or the Valeo Foods business;
 - (d) the nature, description, range and quality of goods and/or services supplied in the UK by each of the two businesses are maintained and preserved;

- (e) except in the ordinary course of business for the separate operation of the two businesses:
 - (i) all of the assets of the Taurus business and the Valeo Foods business are maintained and preserved, including facilities and goodwill;
 - (ii) none of the assets of the Taurus business or the Valeo Foods business are disposed of; and
 - (iii) no interest in the assets of the Taurus business or the Valeo Foods business is created or disposed of;
- (f) there is no integration of the information technology of the Taurus or Valeo Foods businesses, and the software and hardware platforms of the Taurus business shall remain essentially unchanged, except for routine changes and maintenance;
- (g) the customer and supplier lists of the two businesses shall be operated and updated separately and any negotiations with any existing or potential customers and suppliers in relation to the Taurus business will be carried out by the Taurus business alone and for the avoidance of doubt the Valeo Foods business will not negotiate on behalf of the Taurus business (and vice versa) or enter into any joint agreements with the Taurus business (and vice versa);
- (h) all existing contracts of the Taurus business and the Valeo Foods business continue to be serviced by the business to which they were awarded;
- (i) no changes are made to key staff of the Taurus business or Valeo Foods business;
- (j) no key staff are transferred between the Taurus business and the Valeo Foods business;

strictly necessary in the ordinary course of business (including, for example, where required for compliance with external regulatory and/or accounting obligations or for due diligence, integration planning or the completion of any merger control proceedings relating to the transaction) and on the basis that, should the transaction be prohibited, any records or copies (electronic or otherwise) of such information that have passed, wherever they may be held, will be returned to the business to which they relate and any copies destroyed.

10. The CMA may give directions to a specified person or to a holder of a specified office in any body of persons (corporate or unincorporated) to take specified steps for the purpose of carrying out, or ensuring compliance with, this Order, or do or refrain from doing any specified action in order to ensure compliance with the Order. The CMA may vary or revoke any directions so given.
11. Valeo Foods and Rowse Honey shall comply in so far as they are able with such directions as the CMA may from time to time give to take such steps as may be specified or described in the directions for the purpose of carrying out or securing compliance with this Order.
