Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

The part surrender application is to reduce the permitted boundary of the site. The small parcel of land to be surrendered will accommodate a CHP plant, which will be owned and operated by a third party.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
