

FOI Release
Information released under the Freedom of Information Act

Title: Patent enquiry – Humber LEP area

Date of release: 26 April 2018

Information request:

Would it be possible please for you to send me a report on patent activity as a signal of innovation, within the LEP area (or the wider Yorkshire & Humber region if LEP detail is not available), by (1) filing (2) publication and (3) grant?

Information released:

The IPO publishes [patent data](#) which you can filter for GB patents then by UK region. Would the Yorkshire & Humber region be specific enough for your requirements? If not please get back to me and we'll try and provide you with data limited to Humber LEP.

It comes with accompanying explanatory notes but please let me know of any difficulty or if you require any further explanation.
