ACCUMULATED FUNDS

The Organisation aims to maintain a level of accumulated funds which will protect the Organisation and its members from any contingencies and / or commitments, whether foreseen or unforeseen. Any surplus income is carried forward for use against expenditure in future years in accordance with the non-profit making structure of the Organisation. If the Organisation ceased to trade, any surplus would be returned to members.

PENSION SCHEME

Employees of the association participate in the Tyne & Wear Pension Fund which is a defined benefit scheme. The assets of the Fund are held in externally managed funds invested by professional investment managers. Participation in the Scheme is by virtue of the association's status as an Admitted Body to the Fund.

The last actuarial valuation of the Fund was carried out by independent qualified actuaries as at 31 March 2013. The purpose of the valuation was to examine the financial position of the Fund and to recommend the contribution rate to be paid by the association and other participating employers in the Fund.

The assets of the Fund are explicitly allocated to each of the participating employers. The market value of the Scheme's assets was £3.37m and these assets were sufficient to cover 75.9% of the liabilities of the Fund at the valuation date – a deficit of £1.07m.

The valuation method used to determine the associations' contribution rate was the projected unit method and the following assumptions were made:-

Discount rate	4.3% per annum
RPI inflation	3.3% per annum
CPI inflation	2.3% per annum
Rate of increase to pensions in payment	2.3% per annum
Rate of increase to deferred pensions	2.3% per annum
Rate of general increase in salaries	3.8% per annum

The costs of providing pensions to employees of the association are charged to the revenue account on a consistent basis over the service lives of the scheme members.

It is intended to clear the fund deficit by increasing the future contributions payable by member organisations.

The amount charged to the revenue account as company pension contributions for the year ended 31 March 2014 was £132467 (2013:£135539).

The current employer's contribution rate for the association is 21.8% of the employees' pensionable remuneration.

CONTROL

The organisation is controlled by the executive committee on behalf of the members of the organisation.

ACCOUNTING POLICIES

(see notes 37 and 38)

BASIS OF ACCOUNTING

The accounts are prepared under historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

INCOME AND EXPENDITURE

All income is recognised in the Income and Expenditure Account when the conditions for receipt have been met and there is reasonable assurance of receipts.

Contributions, advisory services, TU side and interest income is all stated gross. All other income is net of expenditure directly relating to that income stream.

Expenditure is included on an accruals basis.

LEASED ASSETS

Operating lease rentals are charged on a straight line basis to the Income and Expenditure account over the period of the lease.

GOVERNMENT GRANTS

Revenue grants are credited to the income and expenditure account on an accruals basis.

PENSION COMMITMENTS

The organisation is participating in the Tyne and Wear Pension Fund. The assets of the pension scheme are held separately from those of the organisation. Because of the common future service accrual contributions rate, the organisation is accounting on a defined contribution basis.

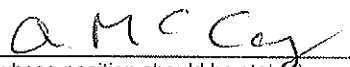

TAXATION

As the organisation is regarded as a mutual one, trading only with its members, no taxation is required.

AUDITOR'S REPORT (continued)

AUDITORS' REPORT TO THE MEMBERS OF NORTH EAST REGIONAL EMPLOYERS ORGANISATION

We audited the financial statements of North East Regional Employers' Organisation for the year to 31 March 2014 which comprise of the Income and Expenditure account, the Balance Sheet and related notes. The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), under the historical cost convention and the accounting policies set out herein.

This report is made solely to the Organisations' members, as a body, in accordance with Section 36 of the Trade Union & Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Organisations members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Organisation and the Organisations members as a body, for our audit work, or for the opinions we have formed.

Respective Responsibilities of Executive Board and Auditors

The board members responsibilities for preparing the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of the Executive Board's Responsibilities.

Our responsibility is to audit and express an opinion on the financial statements in accordance with the relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the Audit of the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether cause by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to North East Regional Employers' Organisation's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Executive Board; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Executive Board's Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implication for our report.

Opinion on Financial Statements

In our opinion the financial statements:

- give a true and fair view of the state of North East Regional Employers' Organisation's affairs as at 31 March 2014 and of its surplus for the year then ended;
- have been property prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- a satisfactory system of control over transactions has not been maintained throughout the year; or
