All three TOs will attend the lunch as well as their Tunisian agents and I suggest that it takes place at the Residence. We are expecting a number of 9 or 10 depending if you and [REDACTED] will both host lunch or only [REDACTED]? I have spoken to [REDACTED] and we agreed that we go ahead with the same plan as the original plan: buffet at the terrace.

[REDACTED] as discussed earlier, all costs will be covered from the consular budget and I will email you the charging instructions separately.

Thanks,

Before I could confirm to the meeting with the meeting with Minister of Tourism taking place at the MFA premises instead of the residence, can you please advise on the plan below:

- Hosting a pre-meeting at 10.00am at the Conference or RLDT room, depending on the availability
- Attend the meeting at the MFA, then back to the residence for Lunch

Many thanks,
