Claimant

Respondent

Miss G Tear

v Precious Hope Health and Homecare
Ltd.

Heard at: Cambridge

On: 31 August 2018

Before: Employment Judge GP Sigsworth

Appearances

For the Claimant: In person

For the Respondent: Did not attend and was not represented

JUDGMENT

The judgment of the tribunal is that:

1. The respondent wrongfully dismissed the claimant in breach of her contract of employment.
2. The respondent is ordered to pay to the claimant the sum of £1,666.66 (gross) for one month's pay in lieu of notice.

REASONS

1. The respondent has failed to issue a response in time. Their application for leave to serve a response outside the time limit was to be determined at the hearing today. The respondent did not attend the hearing to make good that application. In the circumstances, there being no properly presented response in the case, a default judgment is made in the claimant's favour.
