

ACQUISITION BY PAYPAL HOLDINGS, INC. OF IZETTLE AB

Initial Enforcement Order made by the Competition and Markets Authority pursuant to section 72(2) of the Enterprise Act 2002

Whereas:

- (a) the Competition and Markets Authority (**CMA**) has reasonable grounds for suspecting that it is or may be the case that arrangements are in progress or in contemplation which, if carried into effect, will result in PayPal Holdings, Inc and iZettle AB (**iZettle**) ceasing to be distinct (the **Merger**);
- (b) the CMA is considering, pursuant to section 22 of the Enterprise Act 2002 (the **Act**), whether it is or may be the case that a relevant merger situation has been created and whether the creation of that situation has resulted or may be expected to result in a substantial lessening of competition in any market or markets in the United Kingdom (UK);
- (c) the CMA wishes to ensure that no action is taken pending final determination of any reference under section 22 of the Act, which might prejudice that reference or impede the taking of any action by the CMA under Part 3 of the Act which might be justified by the CMA's decisions on the reference; and
- (d) the circumstances set out in section 72(6) of the Act do not apply and the reference has not been finally determined in accordance with section 79(1) of the Act.

Now for the purposes of preventing pre-emptive action in accordance with section 72(2) of the Act the CMA makes the following order addressed to PayPal Holdings, Inc (**PayPal**), PayPal (Europe) Sarl et Cie SCA and PayPal SE (the **Order**).

Commencement, application and scope

1. This Order commences on the commencement date: being the date of completion of the Merger.
2. This Order applies to PayPal, PayPal (Europe) Sarl et Cie SCA and PayPal SE.

3. Notwithstanding any other provision of this Order, no act or omission shall constitute a breach of this Order, and nothing in this Order shall oblige PayPal, PayPal (Europe) Sarl et Cie SCA or PayPal SE to reverse any act or omission, in each case to the extent that it occurred or was completed prior to the commencement date.

Management of the PayPal and iZettle businesses until determination of proceedings

4. Except with the prior written consent of the CMA, PayPal, PayPal (Europe) Sarl et Cie SCA and PayPal SE shall not, during the specified period, take any action which might prejudice a reference of the transaction under section 22 of the Act or impede the taking of any action under the Act by the CMA which may be justified by the CMA's decisions on such a reference, including any action which might:
 - (a) lead to the integration of the iZettle business with the PayPal business;
 - (b) transfer the ownership or control of the PayPal business or the iZettle business or any of their subsidiaries; or
 - (c) otherwise impair the ability of the iZettle business or the PayPal business to compete independently in any of the markets affected by the transaction.

 - (iii) no interest in the assets of the iZettle business or the PayPal business is created or disposed of;
- (f) there is no integration of the information technology of the iZettle or PayPal businesses, and the software and hardware platforms of the iZettle business shall remain essentially unchanged, except for routine changes and maintenance;
- (g) the customer and supplier lists of the two businesses shall be operated and updated separately and any negotiations with any existing or potential customers and suppliers in relation to the iZettle business will be carried out by the iZettle business alone and for the avoidance of doubt the PayPal business will not negotiate on behalf of the iZettle business (and vice versa) or enter into any joint agreements with the iZettle business (and vice versa);
- (h) all existing contracts of the iZettle business and the PayPal business continue to be serviced by the business to which they were awarded;
- (i) no changes are made to key staff of the iZettle business or the PayPal business;

accounting obligations or for due diligence, integration planning or the completion of any merger control proceedings relating to the transaction) and on the basis that, should the transaction be prohibited, any records or copies (electronic or otherwise) of such information that have passed, wherever they may be held, will be returned to the business to which they relate and any copies destroyed.
