Subject: Highways England Response - Freedom of Information Request - M58
Date: 12 September 2018 15:59:07

Dear [REDACTED]

I am writing to confirm that we have now completed our search for the information, which you requested on 22 August 2018.

I can confirm that we do hold information about accidents on the M58 from junction 2 up to the final junction where it joins the M6. Under Section 21 of the Act, we are not required to provide information, which is already reasonably accessible to you. The information you requested is available via <http://www.crashmap.co.uk/Search>. The data includes all incidents up to the end of 2016 together with provisional information for the period January to September 2017 and is updated as soon as the latest data is released by the police.

I can advise that we do not have any plans in our programme to redesign junction 5 of the M58.

Following a search of our electronic records, I have established that the information about clover leaf junctions you requested is not held by Highways England

If you have any queries about this response, please contact me. Please remember to quote reference number 765434 in any future communications.

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at: <https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>

If you require a print copy, please phone the Information Line on 0300 123 5000; or e-mail info@highwaysengland.co.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
SK9 5AF

Yours sincerely

[REDACTED]
