Department for Environment, Food and Rural Affairs Scottish Government Welsh Government

Application for an Export Health Certificate for Live Animals

For APHA use only		
Certificate serial number(s):		
Support documents:	LIVE	

- You should submit your application form by e-mail to: <u>LiveAnimalExports.Carlisle@apha.gov.uk</u>
- Correctly completed applications will be processed within 24 hours of receipt, Monday to Friday. Applications
 that require additional documentation may take longer to process. Due to the requirements for APHA to
 provide notifiable disease assurances to the certifying OV; applications received more than seven working
 days in advance of the certification date, will be processed seven working days prior to this date.

Please ensure that:

- you check with the above office if in doubt about which application form to use and whether a certificate
 already exists for the animal(s)/products and country in question. The office can provide specimen copies of
 certificates to enable you to complete the application;
- you complete this form in typescript BLOCK LETTERS;
- you return your application form to the Centre for International Trade Carlisle at the above e-mail address;
- the form is completed in full. Do not leave boxes incomplete, write N/A where appropriate. Incomplete or illegible forms may be delayed or returned;
- a separate form is used for each consignment;
- an electronically completed typescript copy of the relevant PDF Application document is submitted with this
 application form. Please check you are using the correct version of the PDF Application document by checking
 the watermark version number on the PDF against the current version number of the PDF listed on the

Section IV - Declaration by Exporter or Agent

The details given on this form are correct and complete to the best of my knowledge and belief and where required I agree to discharge the reasonable costs of the Department for Environment, Food and Rural Affairs in issuing the Export Health Certificate. I understand that:

- the certificate(s) will be provided on the basis of information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the Centre for International Trade Carlisle;
- in the event of suspicion or confirmation of disease after certification, it may be necessary for the Department to withdraw or cancel the health certificate without notice. No liability for losses incurred can be accepted by the Department should these circumstances arise;
- where certificates for OV signature are sent to the premises of despatch or collected from Department Offices by any person other than the certifying Official Veterinarian, I undertake to ensure that the certificate will be held securely and delivered unopened to that OV;
- the information contained within this application may be disclosed to other competent veterinary authorities or used in the compilation of statistics.
