I. Number and identification of the animal(s) *

Number	Identification	Species/Breed	Sex	Age

Number of seal on transport container (if applicable)

II. Origin of the animal(s) *

(a) Name and address of exporter:

(b) Address of premises of origin:

III. Destination of the animal(s) *

(a) Address of premises of destination:

(b) Name and address of consignee:

(c) Means of transport:

IV. Health Information

I, the undersigned Official Veterinarian hereby certify that:

- (a) a written declaration has been received from the owner/exporter* stating that the said animal(s) was/were born on the premises at II(b) and have not been in contact with any animals suffering from an infectious or contagious disease;
- (b) on _____, being within 48 hours of export, I examined the said animal(s) and found it/them* to be free from clinical signs of infectious or contagious disease, and free from evidence of infestation with ectoparasites, and in my opinion fit to travel;
- (c) after due enquiry I am satisfied that the animal(s) have not been in contact with animals suffering from an infectious or contagious disease;
- (d) a written declaration has been received from the owner/exporter stating that the said animal(s)* will be transported in escape proof containers constructed in accordance with recognised International Air Transport Association (I.A.T.A.) standards, being either new containers or containers which have been cleansed and disinfected before use with a disinfectant approved by the Department for Environment, Food and Rural Affairs and without coming into contact with other animals other than those similarly certified.

***Delete as applicable**
