

**EXPORT OF HORSES TO BRUNEI - 3626EHC**

**NOTES FOR THE GUIDANCE OF THE OFFICIAL VETERINARIAN AND EXPORTER**

Associated Document: 3626EHC

**IMPORTANT**

These notes provide guidance to Official Veterinarians (OVs) and exporters. The NFG should have been issued to you together with export certificate 3626EHC. The NFG should not be read as a standalone document but in conjunction with certificate 3626EHC. We strongly suggest that exporters obtain full details of the importing country's requirements from the veterinary authorities in the country concerned, or their representatives in the UK, in advance of each consignment.

**1. SCOPE OF THE CERTIFICATE**

This certificate may be used for the export from the United Kingdom of Equidae to Brunei.

It is not permitted to export horses and other equines from Great Britain for slaughter. This applies to journeys from, and transit journeys through, Great Britain to destinations outside the UK, the Channel Islands and the Isle of Man.

**2. Certification by an Official Veterinarian (OV)**

This certificate may be signed by an Official Veterinarian appointed by the Department for Environment, Food and Rural Affairs (Defra), Scottish Government, Welsh Government, or an Authorised Veterinary Inspector (AVI) appointed by the Department of Agriculture, Environment and Rural Affairs Northern Ireland (DAERA), who is and Official Veterinarian (OV) on the appropriate panel for export purposes, or who holds the appropriate Official Controls Qualification (Veterinary) (OCQ(V)) authorisation.

OVs/AVIs should sign and stamp the health certificate with the OV/AVI stamp in any colour **OTHER THAN BLACK**.

Under the Animal Welfare (Livestock Exports) Act 2024, it is an offence to export horses and other equines for slaughter, beginning in or transiting through Great Britain to a third country.

If the OV has suspicions that the consignment is being exported for slaughter in contravention of section 1 of the Animal Welfare (Livestock Exports) Act 2024, this should be reported as soon as possible to APHA by calling 03000 200 301. In your report, please detail the following:

- EHC and journey log reference number
- Location and address of inspection, including CPH number
- Name and address of transporter and journey organiser
- Transporter authorisation number
- Details of the animals in the consignment (number, species, age)
- The reason for your concern

- Any relevant additional information

A certified copy of the completed certificate must be sent to the Animal and Plant Health Agency (APHA) Specialist Service Centre for International Trade, in Carlisle, or to DAERA, within seven days of issue.

The OV/AVI should keep a copy for his/her own records.

3. The examination mentioned at paragraph IV(a) must be carried out within 48 hours of shipment.
4. Blood samples required by IV(b) should be sent to the Central Veterinary Laboratory, Weybridge
5. Paragraph IV(c)  
Any anthelmintic manufactured for use in horses and containing ivermectin is acceptable.
6. The second treatment mentioned at paragraph IV (d) must be within 2 days of export.
7. As far as it is practicable, health records appropriate to the animal being traded should be attached to 3626EHC
8. When a horse is accompanied by a passport, and the description of the horse is clear, the declaration in the bottom right-hand corner of the silhouette on page 4 should be signed. When a passport is not presented, or where the passport description is unclear, the silhouette must be completed accurately.

**9. WELFARE DURING TRAVEL**

Welfare conditions during transport are laid down by Council Regulation EC 1/2005, implemented in England by The Welfare of Animals (Transport) (England) Order 2006, and parallel legislation in Scotland, Wales, and Northern Ireland.

Exporters must comply with the UK welfare laws relating to the export of animals. If transported by air, animals should be transported in accordance with International Air Transport Association (IATA) standards.

Further information about the necessary requirements may be obtained from the Animal Welfare Team at any of the offices mentioned below:

England, Scotland & Wales

**10. DISCLAIMER**

This certificate is provided on the basis of information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the Centre for International Trade - Carlisle, via the link below:

<http://www.gov.uk/government/organisations/animal-and-plant-health-agency/about/access-and-opening>
