FOR COMPLETION BY: OFFICIAL VETERINARIAN

I. Number and identification of the animal(s)*

Species (common and scientific names)	Identification code, method and location	Colour	Sex	Age

II. Origin of the animal(s)*

(a) Name and address of exporter:

(b) Address of premises of origin where the animals were examined:

III. Destination of the animal(s)*

(a) Name and address of consignee:

(b) Means of transport:

(c) Registration number of vehicle transporting the animals:

◆(d) Import permit number:

IV. Health Information

I, the undersigned, being an Official Veterinarian, hereby certify that:

(a) on (date), being not more than 48 hours prior to the date of export, I examined the animal(s)* and found it/them* to be free from clinical signs of infectious or contagious disease, and in my opinion the animal(s)* is/are* fit to travel;

(b) the animals have come from an establishment where regular health monitoring is implemented as required by the competent authority;

(c) the animals at the establishment of origin have not been inoculated with pathogens responsible for foot and mouth disease, rinderpest, contagious bovine pleuropneumonia, African swine fever, glanders, H5 and H7 subtype avian influenza, Newcastle disease or rabies;

(d) no cases of tuberculosis or rabies have occurred at the establishment of origin during the 12 months prior to shipment;

(e) a written declaration has been received from the owner/exporter* stating that:

(i) the animal(s)* will be transported in containers constructed in accordance with recognised International Air Transport Association (I.A.T.A.) standards, being either new containers or containers which have been cleansed and disinfected before use with a disinfectant approved by the Department for Environment, Food and Rural Affairs;

(ii) no additional animals, feed or bedding will be loaded into the containers during transportation.

***Delete as applicable**

V. This certificate is valid for 10 days from the date of signature.
