1. Number and breed of the animals

Number	Breed

II. Origin of the animals

Name and address of exporter:

III. Destination of the animals

(a) Name and address of consignee:

(b) Import permit number:

IV. Health Information

I, the undersigned, being a Government appointed official veterinarian hereby certify that:

(a) on _____, being not more than 48 hours prior to the date of export, I examined the animals specified at paragraph I and found them to be free from clinical signs of infectious or contagious disease, and in my opinion the animals are fit to travel;

- (b) the mice originate from premises specified at paragraph II that are recognised to be free from epizootic quarantine and infectious disease restrictions;
- (c) prior to export the mice have been kept at the premises specified at paragraph II and did not come into contact with any other animals except those similarly certified for export to Zambia;
- (d) I have received a declaration that the mice will be transported in containers in accordance with the requirements of the IATA Live Animals Regulations;
- (e) the transport containers have been sealed with seals bearing the number(s) or mark(s)

Seal number(s)/mark(s)

V. This certificate is valid for 10 days from the date of signature.
