Section IV – Declaration by Exporter or Agent

The details given on this form are correct and complete to the best of my knowledge and belief and where required I agree to discharge the reasonable costs of the Department for Environment, Food and Rural Affairs in issuing the Export Health Certificate. I understand that:

- the certificate(s) will be provided on the basis of information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the Centre for International Trade - Carlisle;
- in the event of suspicion or confirmation of disease after certification, it may be necessary for the Department to withdraw or cancel the health certificate without notice. No liability for losses incurred can be accepted by the Department should these circumstances arise;
- where certificates for OV signature are sent to the premises of despatch or collected from Department Offices by any person other than the certifying Official Veterinarian, I undertake to ensure that the certificate will be held securely and delivered unopened to that OV;
- the information contained within this application may be disclosed to other competent veterinary authorities or used in the compilation of statistics.
