**PART II: CERTIFICATION**

**HEALTH ATTESTATION**

I, the undersigned, certify that:

- 1. The products described above have been processed from pig skins originating from the United States of America, this has been verified by a valid health certificate from the US, certified by a US official vet that the pig skins are suitable for human consumption;
  - 2. The products described above have been processed and stored in such a way that the consignor has an appropriate process traceability system demonstrating the US pig skins imported are the same as those mentioned above for shipment with this consignment;
  - 3. That the processes and storage undertaken by the consignor ensures the continued suitability for human consumption;
  - 4. That the establishment in the UK handling the porcine skins is an authorised facility for handling raw materials for the production of collagen for human consumption.
