No:

EXPORT OF CHICKEN HATCHING EGGS AND DAY-OLD CHICKS TO EL SALVADOR
SUPPORT HEALTH CERTIFICATE

I. Name and address of Official Veterinarian to whom this certificate
must be returned as soon as possible:

II. Name and address of exporter:

III. Address of flock of origin:

IV. Date of export:

V. Health Information

I, the undersigned, certify that the birds comprising the flock of origin meet the following requirements:

- a) The eggs/birds originate from breeding stock raised in the United Kingdom;
- b) The farm(s) of origin of the eggs/birds and the hatchery are members of a government supervised Poultry Health Scheme, and as such they maintain strict zoosanitary controls and animal health surveillance under official supervision as set out in UK law;
- c) The farm(s) of origin of the eggs/birds and any other immediately surrounding farms have not been subjected during the 6 months prior to export to any official restrictions due to any notifiable infectious or transmissible disease that may affect poultry;
- d) The farm(s) of origin of the eggs/birds are officially certified free of Mycoplasmosis (*M. gallisepticum* and *M. synoviae*) and Salmonellosis (due to *S. enteritidis*, *S. pullorum* and *S. gallinarum*);
- e) The farm(s) of origin has/have shown no clinical signs or evidence of Salmonellosis (due to *S. arizonae* and *S. typhimurium*).

* Delete as appropriate

VI. This certificate is valid for 10 days.
