No/N°:

EXPORT OF DAY-OLD CHICKS (*Gallus gallus*) TO MADAGASCAR
SUPPORT HEALTH CERTIFICATE

I. Name and address of Official Veterinarian to whom this certificate must be returned as soon as possible:

II. Name and address of exporter:

III. Address of flock of origin:

IV. Date of export:

V. Health Information.

I, the undersigned, certify that the birds comprising the flock of origin meet the following requirements:

- (a) During the 12 months prior to the proposed date of export of the day-old chicks no cases of the following diseases have been confirmed on the farms of origin: **Mycoplasma gallisepticum, infectious laryngotracheitis, avian leucosis, and fowl typhoid (S.gallinarum);**
- (b) The flock has not been vaccinated against **avian influenza;**
- (c) The flock has been tested during the 30 day period prior to proposed export of the day-old chicks for **avian influenza** type A, of the H5 and H7 subtypes, using a serological test with negative results;
- (d) A clinical inspection of the flock within three days prior to the proposed date of export of the day-old chicks was carried out and no signs of clinical disease were observed;

VI. This certificate is valid for 10 days.
