NOT TO BE CERTIFIED

IV. Health Information

I, the undersigned, certify that:

- (a) on (date), being within seventy two (72) hours of export, the animal was examined and found to be free from clinical evidence of infectious or contagious disease and in my opinion is fit to travel;
- (b) no case of rabies other than those due to European Bat Lyssavirus (EBL1 or 2) has occurred in the United Kingdom during the past 6 months AND
*either:
(i) the animal has not been vaccinated against rabies and a written declaration has been received from the owner*/agent of the owner* stating that the animal has been continuously resident in the United Kingdom during the 6 month period preceding shipment or since birth;
*or;-
(ii) the animal is in possession of an European Union PET passport showing that it has been vaccinated against rabies or a document provided by the vets can be used;
- (c) after due enquiry, having examined the animal, and following receipt of a written declaration from the owner*/agent of the owner*, I am satisfied that the animal is more than 3 months of age at the time of export.

* Delete as applicable

V. This certificate is valid for 10 days.
