331EHC (Agreed 08/07/2010) (Revised 21/02/2014)

#### TV. Health Information

b)

۲

I, the undersigned Official Veterinarian, certify that the \*eqqs/\*birds described above meet the following requirements:

a)\* (delete in the case of hatching eggs) (date), I examined the day old birds and on found them to be healthy, free from clinical signs of infectious or contagious disease, and in my opinion fit for the intended journey;

there has been no evidence of the following diseases in the flocks of origin during the past 6 months: avian leucosis complex, salmonellosis, infectious avian encephalomyelitis and chronic respiratory disease;

- no outbreak of Newcastle disease has been confirmed at the premises C) of origin, nor within a radius of 25 kms thereof during the past 30 days;
- The \*hatching eggs/\*day-old poultry and the flocks of origin from d) which they are derived are sourced from: either(i) \* the United Kingdom, or (ii) \* a region within the United Kingdom, (iii) \* a compartment within the United Kingdom, or which is officially free from Notifiable Avian Influenza (NAI) according to the criteria of the OIE;
- The flock(s) of origin and hatchery are members of a Government e) supervised Poultry Health Scheme which implements EU Directive 2009/158/EC, and in compliance with which they are regularly monitored for the following diseases with negative results in each case for the past 12 months: (i) in the case of chickens, Salmonella pullorum, Salmonella gallinarum, and Mycoplasma gallisepticum; (ii) in the case of turkeys, Salmonella pullorum, Salmonella gallinarum, Salmonella arizonae, Mycoplasma gallisepticum and Mycoplasma meleagridis; (iii) in the case of ducks, Salmonella pullorum and Salmonella gallinarum;
- f)\* (delete in the case of ducks) (date), being within 90 days prior to the date of On shipment, blood samples were taken from the flock(s) of origin sufficient in number to give 95% confidence of detecting a 5% prevalence of infection and were tested for Mycoplasma synoviae with negative results in each case;
