APPLICATION ONLY

NOT TO BE CERTIFIED

V. Health Information

I, the undersigned, being a Official Veterinarian of the Department for Environment, Food and Rural Affairs hereby certify that:

- (a) on _____, being not more than 24 hours prior to the date of export, I examined the said animal(s)* and found it/them* to be free from clinical signs of infectious or contagious disease, and in my opinion the said animal(s)* is/are* fit to travel;
- (b) a declaration has been received from the owner stating that :
- (i) the said animal(s)* has/have* remained in Great Britain for the past six months prior to the date of export or since birth;
- (ii) the said animal(s)* is/are* not intended to be destroyed under a contagious or infectious disease eradication programme;
- (c) no case of tularaemia has been recorded in Great Britain during the past 2 years;
- (d) as far as can be ascertained, and after due enquiry, no outbreak of myxomatosis has occurred at the premises of origin or on contiguous premises during the past 6 months;

***Delete as applicable**

VI. This certificate is valid for 10 (ten) days from the date of signature.
