(a) Name and address of consignee:

APPLICATION ONLY

NOT TO BE CERTIFIED

(b) Means of transportation:

IV. Health Information

I, the undersigned, certify that the animals described above meet the following requirement:

- a) on _____ (date), being within 24 hours of export, I examined the said animal(s)* and found it/them to be free from clinical signs of infectious or contagious disease including external parasites, and in my opinion, it/they are fit to travel.
- b) Based on an owners declaration the said ferret(s) were kept in continuous captivity in the United Kingdom since birth or for the 6 months prior to shipment;
- c) as far as can be ascertained, and after due enquiry, the said animal(s)* has/have* not been in contact with any infectious or contagious disease affecting that species during the last 60 days;
- d) no outbreak of rabies other than those due to European Bat Lyssavirus (EBL1 or EBL2) has been confirmed in the United Kingdom during the past 6 months.

*Delete as applicable

V. This certificate is valid for 10 (ten) days.
