IV. HEALTH INFORMATION

I, the undersigned, certify that:

1. the product described at I (a) above was made from milk of animals subject to audit to ensure compliance with EU legislation and kept in herds in a country which is not under any veterinary restrictions for any diseases which can be transmitted through the milk of that species or, in the case of tuberculosis restrictions, the milk is from animals that have tested negative and has been pasteurised to mitigate any risk;
2. the product/s, or the milk ingredients used in the product/s, described at I. overleaf bears oval marks which demonstrate that it is fit for human consumption and was produced in accordance with EU legislation in an establishment approved for intra-Community trade;
3. the United Kingdom (UK) is recognised by the Office International des Epizooties (OIE) as a country free from foot and mouth disease (FMD) (without vaccination);
4. samples of the product have been subjected to analysis at an approved laboratory as required by UK and EU legislation, with satisfactory results;
5. the production of milk and milk products in the UK is subject to monitoring for harmful residues and radioactivity.
