⁽¹⁾Fresh meat of bovine origin: in accordance with the Directive referred to in IV of this certificate, this means all parts fit for human consumption from domestic bovine animals which have not undergone any preserving process; however chilled and frozen meat shall be considered to be fresh meat.

⁽²⁾ If there is insufficient space on the table please continue below or on an additional schedule which is signed, dated, stamped and attached to this certificate and then 'fan' stamped so that both this certificate and the schedule are marked.

⁽³⁾ In the case of rail trucks and lorries, state the registration number, in the case of aircraft the flight number, and in the case of boats the name.
